*Biography, St. Bede's Publication, 1953*

Marcelle Auclair, the author, a delightful, sparkling woman of many achievements, strikes one as being nearly as versatile and enterprising as her favorite saint.

Though born in France, she grew up in Chile, where Spanish ways of life and thought became second-nature to her.

On her return to France, at the age of twenty, she married the novelist Jean Prevost, brought up three children, traveled extensively, published several novels herself, and founded and edited **Marie-Claire**, an outstandingly successful woman's journal.
